

# For Chapter Leaders

## Top 10 Foundation Fast Facts to Share with Your Chapter!

### #10 A gift to the Foundation preserves Pi Phi's heritage.

Friendship Fund gifts are a big part of the reason why we can support the heritage and legacy of Pi Phi with grants to Holt House. To know where you're going, you have to understand where you've been. Friendship Fund dollars help us do that.

### #9 You can show your sisters some Pi Phi love with a Foundation gift.

A tribute gift is a perfect way to honor a big/little sis, your AAC members, chapter officers or graduating seniors. You can do it individually or even as a chapter. We will send them a Pi Phi card that says they are loved.

### #8 The Foundation is making Pi Phis leaders for life.

All leadership programs like *Leading with Values*®, convention and Leadership Academy? Yeah, we support them. That gives Pi Phi better leaders for your chapter, for your Fraternity and for life. All good stuff.

### #7 All chapter gifts must be postmarked by December 31.

Rules are rules and we have ours too. How else can we figure out who the Top 10 chapters are and order the cool plaques? Don't let a missed deadline keep your chapter from the recognition it deserves.

### #6 You want to know about the Emma Harper Turner Fund. Really, you do.

If you or a sister is in a financial situation where even staying in school is a question, don't stress alone. The Emma Harper Turner Fund can help with emergency financial assistance. More info is on the website at [www.pibetaphifoundation.org](http://www.pibetaphifoundation.org), so be sure you know where to find it or where to direct a sister in need.

### #5 We're fighting for literacy, too.

The Literacy Fund makes it possible for the Foundation to donate big bucks to Read > Lead > Achieve® initiatives like Champions are Readers®, Fraternity Day of Service and Arrow in the Arctic. Awesome, isn't it?

### #4 Scholarship money coming to a Pi Phi near you.

Every year we have at least one scholarship that will go unused just because no one who qualified for that chapter-specific scholarship applied. Isn't that kind of like wasting money? Don't let it happen. Be sure you apply and encourage your sisters too. It's easy and completely online.

### #3 You can invite us to a chapter meeting.

The Foundation's Executive Director or Board of Trustee member would love to come visit your chapter to learn more about how you are impacting your campus and community. To request a visit by a Foundation representative, contact us at [fndn@pibetaphi.org](mailto:fndn@pibetaphi.org) or (636) 256-1357.

### #2 Make your chapter gift count.

Along the same lines as the deadline thing and just as important — when your chapter makes a gift, send it with a completed FT1 form, available at [www.pibetaphifoundation.org/for-chapters](http://www.pibetaphifoundation.org/for-chapters) and in the Resource Library. Help us know where your gift should be applied so your chapter gets the credit it deserves.

### #1 We can't do it without you!

Your chapter and individual gifts to Pi Beta Phi Foundation ensure our future. No joking around — every gift counts!
